Education

STELLENBOSCH UNIVERSITY

MSc in Horticulture
2018
BSc in Horticulture
2016

Experience

SENIOR HORTICULTURAL CONSULTANT GREENSCAPE INC.

Jan 2019 - Present

Managed a portfolio of high-value landscape projects, from initial client consultation and design to implementation and ongoing maintenance. Conducted detailed site analyses, developed comprehensive planting plans, and advised clients on sustainable horticultural practices. Led a team of junior horticulturists and technicians, ensuring project quality.

HORTICULTURAL SPECIALIST URBAN GREENING INITIATIVES

Oct 2016 - Dec 2018

Led the design and implementation of urban greening projects, including rooftop gardens, vertical farms, and public parks. Conducted research on drought-resistant plant species and innovative irrigation techniques suitable for urban environments. Collaborated with city planners and community stakeholders to create sustainable and aesthetically pleasing green spaces.

JUNIOR HORTICULTURIST BOTANICAL GARDENS & NURSERIES

Feb 2016 - Oct 2016

Assisted in the cultivation and maintenance of diverse plant collections, including rare and indigenous species. Performed plant health assessments, identified pests and diseases, and implemented integrated pest management strategies. Contributed to educational programs and public outreach initiatives on plant conservation and sustainable gardening.
