## Education

### UNIVERSITY OF PRETORIA

Bachelor of Veterinary  
Science (BVSc)  
2017

---

## Experience

### SENIOR VETERINARIAN PAWS & WHISKERS ANIMAL HOSPITAL

Jan 2021 – Present

Lead a clinical team at a busy private animal hospital, performing routine and emergency surgeries. Provide full-spectrum care including diagnostics, treatment planning, and post-op follow-up. Implemented a vaccination outreach program that increased community compliance by 30%.

### VETERINARIAN GREENFIELDS VET CLINIC

Oct 2018 - Dec 2020

Handled consultations, vaccinations, and surgical procedures for domestic animals. Introduced improved client education protocols which helped reduce preventable conditions. Worked closely with vet nurses and reception staff to streamline daily operations and enhance patient care.

### JUNIOR VET INTERN ANIMAL WELLNESS NETWORK

Feb 2017 - Sept 2018

Completed a rotating internship in internal medicine, soft tissue surgery, and anesthesiology. Assisted with high-volume spay/neuter campaigns and community education in rural Western Cape. Participated in wildlife immobilization and care under supervision.
